Evelyn Drayton

Friday, December 18th

11 am—1 pm, 405 Cleland St.

"This book is the story of how I healed enough from a near-fatal accident to go home after 47 days, the number 47 having been prophesied to me a few hours before the head-on collision."

The power-packed inspirational and empowering messages in **Anything's Possible: The 47-Day Prophecy** are filled with revelation, words of courage, determination and boldness to help equip and transform your life as you embark on life's journey.
